AirRescue Magazine is the official publication of the European HEMS & Air Ambulance Committee (EHAC).

“Tango 2” in HEMS: First EC145 T2 in action for DRF Luftrettung

AirRescue Magazine joined the handover ceremony of the first EC145 T2 to German DRF Luftrettung – the world’s first EC145 T2 helicopter to be commissioned.

12

Interview: “Point of care for professionals”

An interview with Hans Morten Lossius, Chair of EHAC Medical Working Group, about efforts to facilitate and foster dialogue among medical HEMS experts.

14

Massive bleeding: Prehospital use of hemostatic

Battlefield experience in Vietnam, Iraq and Afghanistan led to the introduction of hemostatic bandages with different working mechanisms.

28

Rapid Sequence Intubation (RSI): Introducing RSI in Hungary

Hungarian HEMS tested the feasibility of introducing RSI SOP and elements of clinical governance before applying it to the whole EMS system.

46

CONTENTS

EHAC

- 14** Interview with Hans Morten Lossius, Chair EHAC Medical Working Group
T. Bader
- 18** New EHAC member Elitaliana: Commitment to serving the community
Elitaliana P.O.

-
- 06** News

TECHNOLOGY

- 12** First EC145 "Tango 2":
In action for DRF Luftrettung
P. Poguntke

MEDICAL CARE

- 22** Interhospital transports of critically ill patients – the hospital perspective
A.J. Krüger, O. Uleberg, P. Klebstad
- 28** Massive bleeding: The prehospital use of hemostatic bandages
J.H. Peters, E.C.T.H. Tan
- 32** Aeromedical Point-of-Care Ultrasound
J.G. Yates
- 36** The introduction of prehospital Rapid Sequence Intubation (RSI) into the Hungarian EMS system
P. Temesvári
- 40** Coagulation management in multiple trauma – is tranexamic acid the only option?
H. Lier

MEDICAL CARE

- 43** "Change in cerebral oxygenation during high altitude flights – First study conducted in non-simulated flights
U. Ehlers-Busse, M. Paul, O. Seiler, L. Held

CRASHES

- 48** "Air Ambulance 02" crash:
BFU interim investigation report
P. Poguntke, T. Bader

REGULATIONS

- 50** Future HEMS operations – legal frameworks
B. van der Weide
- 54** European standards – benefits & challenges
P.K. Andersen

TRAINING

- 58** Medical simulation training of helicopter-supported mountain rescue situations
U. Pietsch, V. Lischke

IN PROFILE

- 62** The future of HEMS in Finland
A. Kämäräinen
- 65** Off the beaten track: AMS with most demanding rescue operation
C. Woo
